# JERRY'S HOUSE **HAPPY CASES**

The portable Happy cases are a mobile kit designed for easy transport and delivery. The Laughter Teams use these kits when visiting medical centres, hospital community spaces, in homes and general service provider locations. Children with chronic illness or entering foster care will be given a Happy Case to continue healing through laughter on their return home.

**Yes, I'd like to donate a Jerry's House Happy Case to a child in need, worth \$50. Qty:**
