

LEGIONNAIRES OF LAUGHTER

The King of Comedy, the late Jerry Lewis, called upon the world's best in comedy to join him in 2017 to launch the inaugural Legionnaires of Laughter Legacy Awards. A night to celebrate his peers and honor their contribution to humanity.

In a world that needs joy now more than ever, it is extremely timely to honor each of these comedians for their lifetime achievements in making a difference in the everyday lives of mankind.

On this night one Legionnaire will also be awarded with the lifetime achievement award for their work in achieving a global impact and creating positive change through laughter, amongst over 20 more awards in global comedy.

This event is set to be the most prestigious honor award nights in comedy. A legacy Jerry Lewis was proud to leave behind.

All profits from sponsorship of the evening will be donated to Jerry Lewis's charity Jerry's House.
